

EXT. WOODS - DAY

TYE talks to RAND.

TYE

His power is increasing. If we don't do something now, it will be all over for our kind.

RAND

A pre-emptive strike could destroy us. It's not worth it.

TYE

I'm not asking you to weigh the options. I'm asking you to help me round up our most able fighters.

RAND

He will notice our activity and take it as a war cry.

TYE

Not if we do it under cover of darkness. And not if we do it quickly.

RAND

How quickly-

TYE

We must strike by tomorrow evening.

RAND

Impossible.

TYE

There are whispers in his camp. Our scouts say that he is building an army. And it is getting stronger by the day.

RAND

He's always been strong.

TYE

Not *this* strong. And each day that we remain in exile, our own armies get weaker. No food, no shelter...we will be resolved to dust if we don't act.

(a beat)

Are you with me or against me?
