

EXT. WOODS - DAY

DANIELLA

Hey! Look at me! What you said over there was out of line.

ANDY

I'm just telling the people the truth. They deserve it.

DANIELLA

You caused an outright riot! You think that's helping them?

ANDY

Listen, I heard you and your so-called *leaders* last night. Talking about how most of them won't make it.

DANIELLA

They know this! So why remind them? The fact is, the walkers *will* take lives. They already have.

ANDY

But not yours right? They're dispensable, as long as you and your men survive.

She grabs him.

DANIELLA

We're on the front lines every day! Six of my men died for the cause, you think we're immune?

ANDY

That doesn't stop you from leaving people behind if you need to.

DANIELLA

Sometimes you don't have a choice. You don't know what it feels like, to have to kill someone because they killed your friends, and because you know they'll come after you next. To slaughter people you once knew. Your friends, neighbors. No. You don't know anything. You haven't seen battle. So keep your mouth shut.

She storms off.
