

EXT. STREET - DAY

DAN grabs TYLER, roughly. Pulls him close.

DAN

Where is she??! What do you got for me?

TYLER

You're a cop! You ain't supposed to-

Dan shoves him away.

DAN

*Come on.*

TYLER

I don't know, man.

DAN

She's twelve years old and she's been missing for almost as many hours. When we hit 24, she's as good as gone. I know your big bro has got her, and I'm asking...

*(pleading)*

Help me.

TYLER

I ain't talking. I ain't goin' to jail...

DAN

No jail. You got my word. Just tell me where she is.

TYLER

*(hemming and hawing)*

I don't trust no cops. They bust in, without warrants, shootin' up my neighborhood and taking my friends in without cause.

DAN

That ain't me.

TYLER

*(scoffing)*

A just cop, are ya?

DAN

*(earnest)*

I just want the little girl back. She's family.

Tyler weighs his options. Slowly, nods.

TYLER

Fourteenth and Vine. That's all I'm  
sayin.'

DAN

Keep quiet on this.

He runs off. Grabs his cell phone.

DAN (CONT'D)

I got a tip. The suspect is at  
fourteenth and Vine. I'm heading  
that way. Have a black and white  
meet me there.

###

**About RehearseNow:** RehearseNow.ai is the line-learning and rehearsal app for actors. Use our AI scene partner and AI script reader to run scenes, memorize lines with a built-in teleprompter, and practice without a human partner.

**Join the Q3 2025 AI Scene Partner Challenge:**
